Covenant of the Peterborough Unitarian Universalist Congregation

As Unitarian Universalists, we embrace covenant as our foundation and love as our guiding principle. We strive to:

- Welcome, include, and appreciate a diversity of people and ideas
- Listen respectfully, speak honestly and directly, and assume good intentions
- Make decisions and take actions that promote justice and equity
- Support our community through generosity, service, and compassion
- Nurture our spiritual connections to nature and the sacred

When we fall short of our aspirations, we will accept feedback and work to heal harm. We will practice forgiveness and welcome it.
